

KITTEN APPLICATION FORM

Please complete all sections of this form and return to wales@freshfields.org.uk We cannot guarantee a response to forms that are not fully completed.

We will contact you if we are able to match you to a kitten/s. We will let you know when we have kittens ready to be adopted and ask you and your family to visit the rescue.

Please do not contact us in regard to your application form.

Due to a high volume of interest in kittens it is not possible for us to respond to every application form or to match everyone to a kitten. For every kitten we normally receive 30+ applications, which unfortunately means many applicants will be disappointed.

If we do not contact you, please be assured that we will keep your application form on file and be in touch in the future should there be a suitable match. Please do let us know if you no longer wish to stay on file. All applications forms will be kept on file for a minimum of three months

Please mark the Yes/No boxes by double clicking on them and selecting 'checked'. Incomplete forms may not be considered.
