

Get your cat spayed for £5

Make their life more fun and get them done from just £5. A simple operation to stop your female cat making kittens will make them much happier and healthier. Any participating vet will get them done. **If you live in L19, L24, L25 and L26 and are on low income or benefits, you can get them done for just £5.**

To book an appointment – it's easy....

Make an appointment at one of the vets named below in the normal way. Tell them that you want to use the £5 scheme and take proof of benefits or low income with you, when you take the cat in.
